Blais Porter gets license but with strings

Blaise-Porter, the Reading Chevrolet agency which seeks to transfer to a site overlooking Route 93 in Wilmington and call itself Yankee Chevrolet, was granted a First Class Auto Dealer's license, Tuesday night, by the Wilmington selectmen.

There were, however, two strings. A First Class license allows the owner to sell both new and used cars. Before the firm can pick up the license they must purchase, according to the vote, some nearby land owned by Wilbur Thomas.

William Blais testified that he had offered \$4000 for the land, which is assessed at \$200, but had had no answer. The offer was said to be by telephone. The land was rezoned to General Business in the March town meeting.

SELECTMAN DANNY GILLIS (left) is shown telling his fellow selectmen that a three story office building, on the proposed Blais-Porter site, would pay more taxes.

Bob Wagstaff, son-in-law of Mrs. Anderson sits with arms folded. Beside him is William Blais of Blais-Porter, and then (partly hidden) Richard Gordin, General Manager.

Attorney James Werts is at the Selectmen's table.

The second string was that the selectmen refused to vote a gasoline license for the firm.

There had been a long discussion prior to the vote, and Mr. Blais had, toward the end of the discussion, promised that there would be no signs within 300 feet of Route 93 and had told of his attempts to purchase the Thomas land.

Selectman Gillis had been against the erection of signs along route 93. Selectman Boylen had been for the purchase of the land owned by Thomas, which lies between Lowell Street and Lowell Street Park (which is the former Lowell Street, before the construction of Route 93) and Selectman Cairns had criticized the offer to purchase because it was by telephone. He said it should have been by registered mail. It was he who offered the motion to grant the license subject to the purchase of the Thomas land.

After the vote had been taken to grant the license Chairman Miceli observed that "This puts Thomas in a wonderful position." Gillis, after a pause, moved for reconsideration. There was no second, and after another pause Boylen noted the selectmen had granted approval without having seen the land or the plans.

There was still no second to the Gillis motion, and after a very silent pause, the chairman declared the motion had carried. The selectmen then proceeded, 4-0, to refuse a gasoline license to the agency.

Complicated history

The problem of the Anderson land, at Lowell Street Park, is a complicated one. The Mass. DPW is planning, and probably has been planning for years to have a clover-leaf through the land, for Interstate Route 93. This in part has led the Wilmington town meeting to adopt an altitudinal attitude over the years and refuse to rezone land, which, in many other towns would be considered a

valuable business site.

A year ago there was a letter from the state DPW saying that there would be no cloverleaf. It was then the town meeting voted to rezone. Now the state is again considering a cloverleaf, and has arrived at the "environmental" state in its planning.

Complicating factors are that (a) for years there have been those who call Lowell Street and Main Street "gasoline alley," which makes the granting of any gasoline license a highly political subject, and (b) many residents who live a quarter to half a mile distant from this property oppose business on this land. There are others who do not oppose. Those who do oppose let their feelings be known.

It was observed by Selectman Banda during the meeting Tuesday that there was no opposition six months ago, when a motel chain was proposing to purchase the land.

Mr. Thomas has, over the years, sought to rezone his land from residential and was unsuccessful until this spring when it was rezoned by the Town Meeting to General Business. He told the Town Meeting he wanted to allow his brother to open an office on the land. Mr. Thomas, who has his problems, was unable to be at the selectmen's meeting Tuesday evening.

Planning board

Part of the discussion that Mr. Blais, and his attorney, Mr. Watts had with the selectmen Tuesday night, was relative to signs, and had resulted in a promise by Mr. Blais that a proposed big sign would be removed to a point at least 300 feet distant from Route 93. The proposal, which had been presented to the Board of Appeals two weeks ago, the selectmen were told, was only the "standard" proposal of Chevrolet, relative to its agencies, and Mr. Blais seemed to be willing to consider any number of proposals by Wilmington.

The Planning Board did not participate in the Tuesday night discussion. They were at their business, during the same hours, in the Mildred Rogers School, and one item of their business was the Blais-Porter proposal of two weeks ago, to the Board of Appeals. Among other things the Planning Board is known for its vigorous support of the Wilmington Sign By-Law.

On motion of Mr. MacKinnon, the Planning Board, Tuesday night voted to notify the Board of Appeals that the proposals would derogate from the intent of the Zoning By-Law, will result in a substantial detriment to the public good, and does not involve substantial hardship to the firm.

Ox Bow Acres

Planning Board wants transcript of tape

Ox-Bow Acres is an old (1894) subdivision, off Woburn Street, owned by the Lyons Brothers, of Medford. A street planned down the center of the property became the dividing line for Industrial Zoning, in 1955. The piece of land is about 300 feet wide and 3400 feet long, extending over toward West Street.

Two weeks ago it was the subject of a Board of Appeals hearing. (Case 30-74). The attorney for the Lyons Brothers told the Board of Appeals that, because of the zoning, the owners had been unable to do anything with the property. He was appealing for a right to erect industrial buildings on the property.

In due course of time the case came up before the Wilmington Planning Board, on Tuesday.

The Planning Board has sent a message to the Board of Appeals, asking for a transcript of the tape, in order that they may make decision before June 25th. Johnnie, the Planning Board added, "without deletions."

S Albert Kaufman and Memorial Day

If the Town Crier is right Monday could have been the beginning of the second half century in which S. Albert Kaufman of 48 Bridge Street, Tewksbury has chanted the Jewish prayers at the Wilmington Memorial Day exercises. He started many years ago, and the Town Crier believes it was in 1923.

Mr. Kaufman is shown standing beside the Rev. Mr. Miller of the Wilmington Methodist Church and Ft. John Carter of St. Thomas.

Commander John Winters of the American Legion stands alone, and the high school youngster, completely with beaver hat and beard, is reciting Lincoln's Gettysburg Address. His name is not known to the Town Crier, but it was a good performance.

Mrs. Howard was elsewhere

It isn't exactly legal to conduct a lawn sale, in Wilmington this week, but it isn't something upon which the selectmen will frown as much as they did two weeks ago.

Janet Howard, of 84 Church Street, two weeks ago applied for permission to have a lawn sale. It was denied. Mrs. Howard went home and wrote a little poem about it, which was published in last week's Town Crier.

Tuesday night Selectman Jim Banda read that poem to the collective Board of Selectmen. If Mrs. Howard had been at the selectmen's meeting she could have gotten permission to have her lawn sale, but she was elsewhere.

It was Danny Gillis who started the discussion, Tuesday. He spoke of a Girl Scout lawn sale. Mr. Gillis was all for enforcing the town by-laws but he spoke up to say Tuesday that he was not against Girl Scouts.

Selectman Boylen spoke up to say that with Danny Gillis. He could see nothing wrong in a one-year sale. It was the people who had been making a business of it.

Selectman Cairns was in the same position. He had nothing against, say, a fraternal organization, or the Girl Scouts.

So the selectmen voted permission for a couple of lawn sales, and looked about for Mrs. Howard.

But she was elsewhere.

Citizen Kane at Wilmington Memorial Library

Many citizens feel that the greatest film of all time is Orson Welles' "Citizen Kane." Not only did the film use innovative filming techniques which have been imitated ever since, but it brought social commentary to the American screen. However the film was not a success when it was first released in the 1930's. Its fresh techniques in the use of cinema and sound were ignored in the public uproar over the subject of the film.

Charles Foster Kane-Citizen Kane was a character study of William Randolph Hearst, the newspaper tycoon. Kane dies at the beginning of the film, and a young reporter traces his life story in an attempt to find the meaning of his last, dying words.

Hearst was alive and well at the time of the film's release and he used all of his power and that of his newspapers to prevent the picture from being released. When that failed, he succeeded in putting enough pressure on the movie theatres and in brainwashing the American public against the film, that it was never a financial success.

Despite Hearst's initial triumph, "Citizen Kane" has survived. It has been played and replayed on the late movie, not a film course exists that does not use the film as a teaching aid, and it plays regularly in theatres such as the Orson Welles Cinema in Cambridge.

Through the Eastern Massachusetts Regional System of libraries it is now available for presentation at public libraries. "Citizen Kane" is to be shown at the Wilmington Memorial Library on Thursday, June 6, from 7:00 to 9:30 pm.

Selectmen seek alternate Monday meetings with PBC

Wilmington's Board of Selectmen, Tuesday evening agreed that they would like to be able to attend the meetings of the Permanent Building Committee, on occasion. The Permanent Building Committee meets on Monday nights, and the Selectmen meet on Monday nights.

The subject came up during a discussion of the new High School planning. Mr. Gillis, reading from a report of some type, noted that Item Number Four had to do with Environmental Planning, and thought the Selectmen should have direct knowledge. He suggested that Mrs. Pat White might be a lady to observe and report to the Selectmen.

Selectman Banda thought this was going beyond the scope of the selectmen. George Boylen recalled that, ever since he had

been elected to the Board of Selectmen, the PBC had always met on the same nights as the selectmen.

Mike Cairns thought that the thing to do was to request the BCC to meet on the "other" Mondays, that is on the first and third Mondays, because the selectmen meet

on the second and fourth. Mr. Cairns made a motion which was seconded by Mr. Boylen. The vote was unanimous.

Before the discussion dropped there was a remark that Mrs. White could probably be used in some capacity.

To some people he will always be Brother Joe

Joseph J. Bagetta was ordained a priest of the Roman Catholic Church on May 18th at the Cathedral of the Holy Cross in Boston. He is now the Rev. Joseph J. Bagetta, assistant to the Pastor at Immaculate Conception Parish, in Cambridge.

To some of the people of St. Dorothy's Parish, in Wilmington and Tewksbury he will always be Brother Joe.

Brother Joe served as a Deacon at St. Dorothy's for a year. It was while he was in his last year of studies, at St. John's Seminary, about five years ago a new program was instituted at that seminary in which the candidate for the priesthood spent his last year in a parish, working with the people there, and attending classes at the seminary for two days a week.

That was how Brother Joe happened to come to St. Dorothy's, to serve as a Deacon. It was also why he wasn't seen too much, in his leisure time - for he was busy with his studies in Brighton.

The seminary was not the only place where Brother Joe was a student. He is also a student at Northeastern University, and shortly he will be granted a degree in Criminology.

It all fits into the background of the man. He is a Methuen native, a boy who attended Merrimack College, and then got a job in Suffolk County, as an assistant to the Sheriff. Being an assistant to the sheriff means doing ones turn at guard duty in the Charles Street Jail, and it includes duty in the Combat Zone, so called. In his 27 years Joe Bagetta has seen more of the seamer side of life.

His year at St. Dorothy's Church will not be soon forgotten. Busy as he was, he was always organizing things, in a quiet way. Brother Joe always had time to take a trip to a Shrine, with members of the Parish or to participate in a party for the Senior Citizens. He was the life of the party too.

There were those who did not get to know Brother Joe, but those who did will never forget him.

With Tongue in Cheek

Blais-Porter, the Reading Chevrolet agency which seeks to relocate in Wilmington and become known as Yankee Chevrolet is having its troubles. Wilmington's selectmen have granted a license to sell cars, but refused to grant a license to fill up the gas tanks of those cars.

That's a heck of a way to run an automobile agency.

There has also been a lot of discussion about a sign, overlooking Route 93, to advertise Yankee Chevrolet. The proposal, it seems, comes directly from Detroit.

In the event that Yankee Chevrolet ever gets into business on that site, and in the event that the sign ever gets erected, 300 feet or elsewhere from Route 93, let there be just one slogan, beneath the words YANKEE CHEVROLET.

Let that slogan be: BRING YOUR OWN GAS CAN.

No other automobile agency in the world could have such a sign. Yankee Chevrolet and Wilmington could both become world famous.

HIGH SCHOOL PAC TO MEET WITH SCHOOL COMMITTEE

In accordance with their current policy, the School Committee will set aside approximately 90 minutes from 9 to 10:30 pm at their regular meeting, Thursday May 30th to discuss concerns of the High School Parent Advisory Council.

The meeting, at which the Committee will also consider a new elementary Social Studies adoption for Grades one through six will begin at 8 pm in the High School Cafeteria. A new alternative Science adoption for grade nine, a proposed policy of financial accounting and a renewal of their legal liability insurance policy will also be discussed.

In other business, the committee will discuss future budget consideration format to be utilized with staff, and the committee will elect new teachers for the 1974-75 school year.

The public is invited to attend all School Committee meetings. The next School Committee meeting will be held on Thursday, June 6 at the Wildwood Elementary School.

The recycling program was quite effective

Wilmington's first effort at a Recycling Program, held a week ago Saturday, proved to be quite effective.

Frank Canelas, of Tewksbury, a former Wilmington resident, who furnished materials for the program told the Town Crier that Wilmington did better than other towns, for a first effort.

The collection was in the High School parking lot. collected were newspapers, magazines, and paper, and glass jars and bottles, with metal caps and rings removed.

Future programs are to be held once a month, and the proceeds are to be divided between the organizations volunteering to work and the Wilmington Conservation Commission.

DAVE MATHER AND WILLEM BAAN: Having a smashing time. They are smashing up bottles (such as are found by the roadside in Wilmington) for sale to a collection agency. Mather is a member of a well known Park Street family and Mr. Baan, a recent arrival from Holland, is an aeronautical engineer who is studying physics at MIT.

The Moderator is being advertised as Atty. John Callan of Wilmington, the gentleman who is Moderator for the Town of Wilmington, and the guest speaker is to be Dorothy Falk of the American Mothers Committee.

Billed as being on the panel are William Fay, principal of the North Intermediate School; the Rev. Peter Schreck of the First Baptist Church; Walter Pierce, Supt. of Schools; Harold Garrett, assistant principal of the High School; John Ritchie of the Wilmington Police; Sterling Morris, town manager of Wilmington; Francis Nolan, school counselor; Mrs. Mitzie Wolf of the Family Education Committee; Father John Calter.

The public is being invited, and parents are being encouraged to bring their children. There is to be coffee served after the panel discussion and an informal discussion with panel members.

CORNERSTONE COFFEE HOUSE

A drive for new members has been conducted by the Cornerstone Coffee House since the first night grand opening.

The list of doings is extensive. On May 18 a number of young people (17) went to South Berwick, Maine for fellowship with "The Bible Speaks." This is another active group who devote their time to spiritual issues and a good time of singing, movies and Christian growth was experienced.

On Friday May 24 at 7 pm, 50 others joined together at the coffee house to listen and participate with Wayne Monbour an excellent young guitarist. The meeting closed with praise to God at 1 am.

On Sat., May 25 a group went to Gordon College for a time of fellowship with other students on a state wide basis.

Mike Johnson was the featured player and the young people returned to continue their day at Turning Point in Andover.

On Friday June 1st, they are going to Boston with 2,000 other teenagers to give away the good news that this fellowship is free and to invite others to join.

This larger group is formed by coffee houses and churches from Maine, New Hampshire and Massachusetts. It is an all out endeavour to pass along the knowledge of Jesus Christ Son of a Very Living God who is still in the business of changing lives.

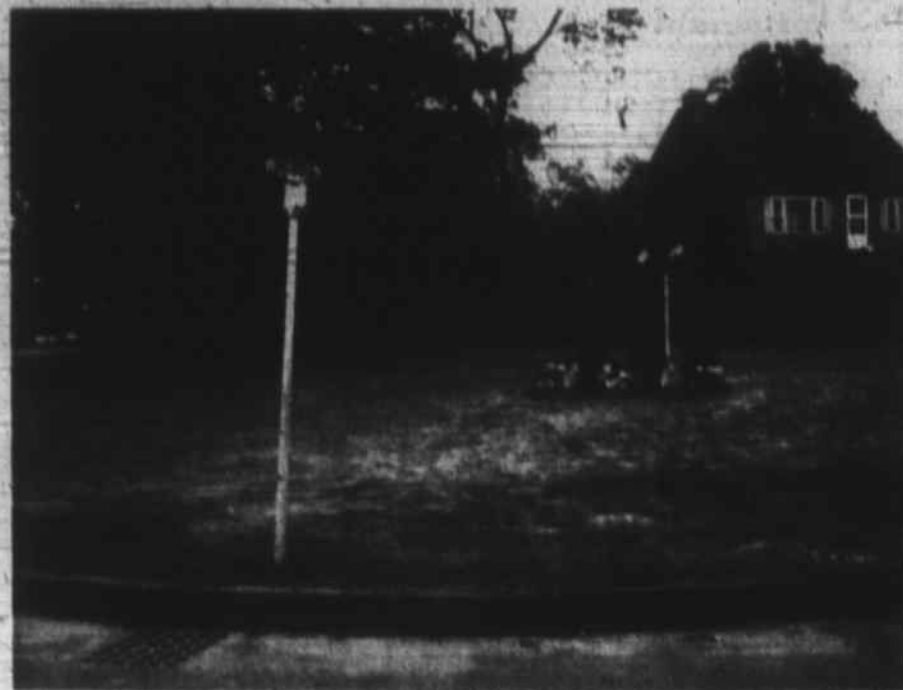

In a day of drunkenness, pornography in our schools, and drugs on our campus it is good news to see the young people of Wilmington who are willing to let God change their lives.

There are rumors of a closed circuit TV program on cable TV and a full time coffee house. The Bible class on Monday night at 7 Hopkins Street is still well attended by enthusiastic teenagers and sometimes adults.

The Lord of the ages is working and we can expect miracles to happen.

The coffee house is open to all age groups and the unity is something to behold. No generation gap can exist in such an atmosphere.

A new Elmer Drew Park

THIRTY YEARS AGO: Elmer Drew, son of Mrs. Waver Drew of Chandler Road, Wilmington, left his chest to volunteer for service. He was killed on the beaches of Normandy, on June 6, 1944. The park dedicated to his memory, at the intersection of Lowell Street and West Street has become too busy. During the past few days this new park has been prepared, at the corner of West and Walnut Streets. Reportedly neighbors are happy about, and are said to be volunteering to keep the lawn trim and neat.

Combined observance of Memorial Day by elementary students

Youngsters from the Wildwood, Walker, Swain, Buzzell and Whitefield Schools, about 300 in number, held Memorial Day exercises last Friday, at the Soldier's Monument. The speakers were Allison White and Steven Cannata. Members of the All Elementary Band are shown, playing during the exercises.

Planning Board says Carmel Street requires approval

The Town of Wilmington is one of the few communities in the Commonwealth to have an Official Map - a map which determines whether or not a building lot is on an "acceptable" street. There have been, to date, three cases in which persons have appealed, and in Wilmington the Board of Selectmen is the board to whom the appeals are made.

The third case was two weeks ago, when Richard Stuart of Shawheen Avenue was granted the right to build homes on four lots of land on Carmel Street, which is off King Street.

Tuesday night the Wilmington Planning Board decided that,

although Stuart has a right to build homes, he still has to go through the Planning Board to get his plan accepted, for street construction. The Board voted that a plan for Carmel Street "required approval."

WILMINGTON SOFTBALL LEAGUE

Sun. May 19: Sweetheart B outslugged Big W, 15-11 in the evening opening game. Irwin Patterson had three hits to pace the victors eleven hit attack.

Terry McKenna went two for three for Ford. Bill Wall (1-3) picked up his initial mound win of the season, while Big W's Gary Warford dropped his first outing.

In a key Competition encounter, Jay-Dee came from behind twice to edge Sweetheart 13-11 in eight innings. Dennis DeMaggio (4-1) including a pair of triples) and Ed Doherty (4-4) led the upstart Sweetheart attack. However, the division leading Jay-Dee's came from 9-7 and 11-9 deficits to pull out the win. Winning hurler Dick Elliott (3-6) slammed out three hits to add his name and teammate John Kalkanian belted a solo homer. Paul Currier (3-1) was the hard luck loser for Sweetheart.

In the site cap Smithcraft outscored Compagraphic, 20-14. Bill Swan knocked in five runs with three hits for the winners, while teammate Ed Landry and Paul O'Donnell chipped in with three hits apiece. Art Della Loggia went the route to pick up his second win against a lone setback. Mark Roy had a good night for Compagraphic driving in five runs while going four for five. Paul Bova (1-4) lost his third straight.

Mon. May 20: DRC ripped Lipton, 22-8 behind the six hit pitching of Pete Pennell (1-3). Fred Brown (1-1) walked nine batters to lead to his downhill as Lipton could not overcome an early 8-3 deficit.

Brewsters jumped out to an early 13-1 first inning lead, but could not hold off a late Dennis Way rally and ended up in the short end of a 20-23 score. Hank Stewart had four hits to lead a 16 hit Denning attack. John O'Melia drove in five Brewster runs with three hits. Ted Wicks picked up his first win of the season in relief of starter Joe Gilligan, who was knocked from the box in the opening frame. Young, the third of three Brewster hurlers took the loss.

The undefeated Knights continued to roll as they belted the Miceli Club, 13-3 behind the seven hit pitching of Jim Hachey (5-0). Steve Call led the K of C offense with two hits and five RBI's. Ollie Olson (2-3) was the losing hurler. Rick Fretton had three hits for Miceli, but all in vain.

Tue. May 21: Scully mapped a three game losing streak with a convincing, 10-0 triumph over Compagraphic B's. Buckey Gish picked up his first win of the season on the strength of a neat five hitter. Gish also was a factor at the bat with three hits. Harry Cimron (1-4) lost his fourth straight in five mound appearances.

Brewsters came from behind to hand Compagraphic their fourth straight Competition Division setback, 9-4. Gary Smith (3-2) finished strong after allowing three runs in the opening frame, hurling shut-out ball over the last four frames. Mike Hennessey

went the route while losing his first game of the season for Compagraphic.

In the third game of the site, Big W exploded for 21 hits enroute to a 20-10 triumph over Stepan. Gary Warford balanced his record at 1-1 with a route going performance. Mickey Hollings (1-1) went five innings and gave up 15 runs in his stretch. Bob Casello paced the victors with four hits, while Vin Shamo Ed Guston and Jim Ritchie chipped in with three hits each.

Wed. May 22: John Knowlton (1-0) fired a seven inning DRC whipped Compagraphic B's, 5-3 in the opening contest of the evening. Al Cairns led the DRC attack with a brace of hits, while Charlie Weaver had a couple for Compagraphic. Harry Cimron (1-4) went the route, while losing his fourth straight.

Frank Hodgkins' three run homer in the fourth inning proved to be the margin of difference as Denning Way upset Jay-Dee, 5-4. Joe Gilligan went the route to pick up his first win of the season after a pair of setbacks. Dick Elliott (3-1) suffered his first loss in four outings.

McNamara Tire moved into a first place tie with Miceli in the Recreation West sector posting a 16-3 victory over Sweetheart B. Paul Patterson led the Tire Company with three hits. Monty Monteiro (3-1) tossed a three hitter to gain his second win of the season for McNamara.

Gustus scores baseball letter.

Bill Gustus, a Wesleyan University senior from Wilmington has received a varsity letter in recognition of his contributions to the 1974 Cardinal baseball team.

Gustus, a strong hitting left-hander, averaged .273 at the plate and was 2-3 as a pitcher, striking out 25 batters during 30 innings on the mound. Wesleyan compiled a 15-7 record during the season and won the regional Eastern College Athletic Conference tournament with a 6-4 victory over Amherst College. The Cardinals' 15 wins represented the most triumphs by a baseball team in the 10 year history of the sport at Wesleyan.

Bill, a graduate of Wilmington High School, is the son of Mrs. Walter J. Gustus of Wilmington.

WILDCAT TALES

Trackmen cop
Class C crown

The trophy measured 20 1/2" high. The Edward M. Gallagher trophy which is given to the first place team in Class C of the State Meet measures 20 1/2". Wilmington rode home with the trophy last Monday afternoon. Wilmington had completed the full cycle. Wilmington are Class C Champs.

If it ever can be said that a meet was decided by a TEAM effort, then the Class C Championship on Saturday May 25th and Monday May 27th was such a meet. The Wildcats took a pair of firsts, three seconds and three thirds, and the firsts were garnered in the legitimate team events, the relays.

The initial relay, the 800, set the stage in Monday's finals. The quartet of Rick McCully, Bruce Bishop, Paul Fitch and Doug Stewart led from wire to wire to edge Scituates by five yards. The mile relay foursome of Tim Nee, Dave Cain, Dave Spring and Steve Coville took the lead on the initial leg, stayed close on the second and third and then came flying through the finish line in the person of the Zookie King, Steve Coville to win the race and the meet. Both relay squads had the second best times in all classes for the day to show overall balance of the Wildcat varsity.

The Wildcats' heroics began Saturday. Bob Reid had second place in the shot put sewer through the first four puts. In the second throw of the finals he was passed by two men. His next two tosses surpassed 50 and 53 feet, missing first place by an inch. Bob's 53'1 1/2" was second best of his career. Next it was Bruce Bishop's turn. His 130'10" discus heave was his season's best and good enough for third.

Saturday's heroes had two more members - a couple of guys named Doug. Captain Stewart had a prodigious leap in the finals of the long jump to vault into first place only to be nooned out by a fine 22' effort by Brad Sprinkle of Dennis Yarmouth on his next jump. Doug's 21'9 1/2" jump was a new school record.

That diminutive wonder, Doug Spring, did it again. For the second time this year and the sixth time in two years Doug clobbered the school record. A very good 9'47" in the two-mile took third place. Doug passed three men on the final lap enroute to his most exciting triumph. The old mark (9:54.6) lasted only two weeks.

Monday's events began auspiciously with the thrilling relay victories, creating a very positive feeling among the Wildcats. The point margin over Dartmouth had increased to seven, 20-13. As the afternoon events progressed Dartmouth started to

Fresh place fifth

In an eight school Freshman Meet at Haverhill last Thursday afternoon, the Wildcats placed fifth. Other schools entered in the meet included: Billerica, Central Catholic, Lawrence Voke, Haverhill, Triton Regional and North Reading. Steve Winchell took a first in the discus with a toss of 122'9" to lead the Frost point getters.

Others to place included: Jerry Cone (second in high hurdles at 16.1); Billy Bibeau (second in 800 with a time of 2:19.6); Rob Poirier (third in pole vault with a toss of 9'6"); and the relay quartet of Cone, Poirier, Harry Phillips and Winchell came in fifth in the 4 x 176 with a time of 1:30.6 while the mile relay foursome of Myron MacInnis, Larry O'Brien, Tom Gillis and Bibeau came in fifth in a time of 4:24.7.

Squirrel A (4-4-1)...The A's remained undefeated, as they battled Reading to a 4-4 standoff. Wilmington grabbed a 1-0 first period lead on a goal by George Boudreau. In the middle frame the A's held a 3-2 edge on markers by John Cushing and Ted Moran. Kevin Smith made it 4-2 early in the final period before Reading came back to tally two quick scores for the tie.

Squirrel B (4-3-8)...The B's decided they would have a party at the expense of Billerica, demolishing them 13-1. Bob Magliozzi had five goals. Jim Smith, Ray Durling, and Mike Kidd collected two goals apiece. Single tallies were added by John Laliberte and Ed Harding.

Peewee A (5-1-4)...The A's were handed their first setback of the spring, bowing to READING 4-1. Dennis Foley and Tim McCann in the final period accounted for Wilmington's only score.

Peewee B (6-1-4)...The B's kept on rolling, defeating Reading 1-4 last Saturday. Wilmington held a 3-0 first period lead on goals by Bob Lowney (two) and Mark Boudreau. Lowney completed his hat trick and Keith Ford added a marker to make it 3-1. Reading made a come-back in the final period tallying three times, but Boudreau scored his second goal of the night to make the final score 6-4.

Bustam B (4-2-8)...Two goals by Tony Voles and Billy McCann powered the B's to a 9-3 win over Billerica 1. Lee Magford and Joe Laliberte chipped in with a goal each.

STACY RUSSELL lines a single into left field in third inning action against Redlegs

Majors: The tigers moved into third place with wins over the Orioles, 11-4 and the Twins, 5-4 to highlight last week's action at Rotary Park. The Yankees kept pace, with the Red Sox slipping past the White Sox, while the Red Sox were belting the Angels, 10-2. To top off a bad week for the Angels, the Indians handed the cellar dwellers their sixth straight setback, 4-3.

and three walks. Bob Woods bunted the last 3 2/3 frames and walked five, but only allowed two hits and a pair of runs in his initial Poly League appearance.

MIKE GOLDEN: Redlegs winning hurler shows his form against the Pirates.

Rain played havoc with the seasonal opening contests as only one of the four games listed for the Wilmington clubs was played. Tue. Odors bother selectmen

Odors, said to be from a Woburn plant, were the subject of a discussion Tuesday evening by Wilmington's selectmen. The discussion was started by Selectman Mike Cairns, who reported that the odors could be smelled on Shawheen Avenue.

Selectman Boylen, who is professionally a chemist, reported that he had called a state official, a Mr. Capone, who would check out the complaint. Mr. Boylen thought the firm that was responsible had recently had a change in its processing methods.
